Yoga Association of Alberta
Teacher Training Program Syllabus and Certification Guidelines

Section I – Syllabus & Certification Guidelines

1. Teacher Training Program – Introduction

The Yoga Association of Alberta (YAA) provides a Hatha Yoga Teacher Training Program (TTP), which is a long-term Senior Teacher mentorship / apprenticeship-based program which requires a minimum of two years of training, plus a background of previous attendance in yoga classes. The YAA-TTP is geared to mature students who will take responsibility to complete the requirements, willing to learn and study under the supervision of their chosen Mentor. There is a small application fee to register in the program, which is strictly non-refundable, but no other upfront tuition. Classes and workshops attended are pay-as-you-go.

The YAA also offers Equivalency Certification, which recognizes outside training with equivalent standards and offers credit towards YAA Certification at all Levels. For details, see the Equivalency Certification page of the website.

2. Required Qualifications to Apply

In order to qualify for the YAA TTP, the applicant must:

- be at least 18 years old.
- be an Alberta resident.
- be a full member of the YAA in good standing (TTP application fee now includes full YAA lifetime membership). In order to remain in good standing, members must follow the *YAA Code of Ethics* and YAA-TTP students are also required to adhere to the *YAA Code of Ethics – Guidelines for YAA Certified Teachers (Appendix B)*.
- **provide a character reference** written by a yoga teacher or colleague who has known the applicant for at least two years, that verifies that the applicant is suitable to enter a yoga teacher training program.
- **provide details of previous attendance in hatha yoga classes.** Recent and regular attendance in hatha yoga classes is highly recommended. Please note that workshops taken prior to applying to the YAA TTP are NOT credited to meeting the 200-Hour Certification requirements. The only exceptions could be workshops taken during the month prior to admission to the YAA TTP, and only with advance approval from the YAA TTP Coordinator.
- be accepted by the YAA TTP Coordinator, usually through a telephone interview.

It is not necessary for the student to have chosen a YAA Senior Teacher with whom to apprentice (hereinafter called the Mentor) upon entry into the program, however it is expected that the student has done so within 4 months of admission into the program. See the Student Responsibilities section below.

3. 200-Hour Program Summary

A summary of requirements for 200-Hour Certification follows with details outlined in the *Summary Spreadsheet Guidelines*.

- 125 Hours of YAA Teacher Training consisting of the following (or equivalent):
 - 16 x 5 Hour YAA TTP Core Curriculum Classes as outlined on the *Curriculum List* (offered monthly).
 - 3 x 15 Hour YAA Teaching Skills Workshops (offered twice per year).
- 50 Hours of other Hatha Yoga Workshops with Mentor or any other YAA Senior Teachers (or equivalent). Training in modifications for special concerns, meditation, yoga philosophy and breath awareness is highly recommended.
- 15 Hours of Anatomy (may be taken online, with interactive component or as an in-person workshop).
- 10 Hours of Practicum with Mentor which consists of:
 - Regular Meetings/Consultations to review progress and assignments, and includes
 - A minimum of 2 Hours of Mentor Supervised Teaching.
 - Regular weekly hatha yoga classes with their Mentor and/or Intermediate Teacher (~100 hours), although these hours are not counted within the program.
- 8 Written Assignments as outlined on the *Assignments List*.
- CPR Certification (any level).
- 10 Additional Hours of Karma Yoga (actions performed with yogic awareness and in selfless service to others on a volunteer basis) for a non-profit or charitable organization. At least 5 of these hours must be in service to the YAA.

The TTP may be completed in a **minimum** of two years provided the student has fulfilled all requirements **and** is recommended for certification by his / her Mentor. By the end of the TTP training, a student is required to have an

understanding of the *Asana / Pranayama Required Practices (Appendix C)* and be able to teach them safely and effectively on their own, in order to be eligible to apply for certification. At the discretion of the Mentor and the YAA Teacher Training and Certification Committee, additional hours may be required beyond the minimum hourly requirements in any category. **Note that depending on the student's interests and their course through the program, they may choose to stay in the program well beyond the minimum two-year requirement.** If a TTP student is in the program for longer than 5 years, his / her status will be reviewed by the Teacher Training Committee and an extension fee will be assessed.

4. Registration Process and Fees

To Register:

- Submit an *Application Form* with registration and membership fees to the YAA office. Include a character reference as outlined on the form and details of prior attendance in hatha yoga classes.
- Application processing may take up to 4 weeks. Students will be notified by phone and email or letter mail.

Fees:

- Application fee: \$350 Includes Lifetime YAA Membership.

- Certification fee is \$100 upon completion of the program.
- YAA-sponsored TTP Core Curriculum Classes, Teaching Skills Workshops, other YAA-sponsored workshops are on a pay-as-you-go basis, but please register in advance at yoga.ca to avoid disappointment as in-person space is limited.
- Non-YAA sponsored class and workshop fees are paid directly to the workshop organizer or class teacher as chosen.

Tax Receipts:

- The YAA-TTP is tax deductible for registered TTP students. The YAA is recognized as an "Educational Institution" and an Official Income Tax Receipt Summary of tuition expenses may be issued for all applicable hours (see bullet below on qualified sources) for each year of the student's registration in the YAA-TTP. Some restrictions may apply. Ask your accountant if you have specific questions about how this applies to your income taxes.
- **Students are responsible for submitting receipts to the YAA office by January 31st** of the year the tax return is to be filed. Receipts received after this date will be processed as time permits.
- **To submit, send an email to admin@yoga.ca with electronic and/or scanned copies of each receipt attached. Please retain originals as they may be audited. In your email, provide:**
 - a) a sub-total of all receipts for payments made directly to the YAA,
 - b) a sub-total of all receipts for payments made to other qualified sources, and
 - c) a total of all receipts combined.
- **Qualified Sources:** The student is responsible for providing ALL receipts including those for YAA sponsored activities, and applicable hours from other sources, as outlined in the TTP Guidelines. Contact the Coordinator if you are unsure about whether non-YAA events may be applied towards your program. Final inclusion will be at the discretion of the YAA Coordinator. Application, membership & extension fees may be included. Do not include props or books purchases.
- The YAA does not issue T2202 forms (Educational Amount Certificate).

Insurance:

- The YAA Teacher Training and Certification Committee does not endorse TTP students teaching in a formal setting without supervision before they are certified. Supervised practicum hours are to be covered by the Mentor's insurance.
- YAA Certified Teachers may obtain discount insurance rates under the umbrella of the YAA's insurance policy. See the website for details.

Materials:

- In order to gain maximum benefit from classes and workshops, the following props are required: 1 sticky mat, 4 foam blocks, 2 hard blocks, 1 yoga strap and 1 blanket. Bolster recommended.
- Students will consult with their Mentor regarding books to read and use during the training. See also the *Recommended Reading List (Appendix D)*.
- Props and books are available for purchase at the YAA Office at a discount to YAA members, and members have free access to an extensive yoga library of over 600 titles.

5. Student Responsibilities

- YAA-TTP students are required to adhere to the *YAA Code of Ethics – Guidelines for YAA Certified Teachers (Appendix B)*.

- Within 4 months of acceptance to the program, a student must choose YAA Certified Senior Teacher with whom to apprentice (a Mentor). Apprenticeship most often requires the student to attend regular classes with the Mentor (in addition to the requirements of the program) as well as formal practicum hours. Mentors may also provide other training and workshops. Consult the Mentor directly regarding availability and pricing. Once a Mentor has been chosen and agreed, submit the *Apprenticeship Agreement* (see Forms Section) to the YAA Office to formalize this arrangement. Contact the TTP Coordinator (cert@yoga.ca) for assistance in finding a Mentor, or if more time is needed.
- Students must pre-arrange regular meetings (practicum hours) to periodically consult with their Mentor to ask questions, review journal notes, submit assignments, and plan a schedule for attendance in regular classes (weekly if possible), TTP Core Curriculum Classes, Teaching Skills Workshops, Senior Teacher Workshops, and other workshops to fulfill all the requirements of the program. See the *Summary Spreadsheet Guidelines* for full details on program requirements. Note that Mentors may charge an hourly rate for individual meetings or may conduct small group classes to fulfill practicum hours. Contact the Mentor directly for details and scheduling.
- **During participation in the program, students must actively and accurately document the following:**
 1. **Hours of involvement in applicable classes and workshops from the date of registration on the *Summary Spreadsheet*, as detailed in the *Summary Spreadsheet Guidelines*.**
 2. **TTP Core Curriculum Class dates are also to be recorded on the *Curriculum Checklist*.**
 3. **A log or journal with notes on all workshops and classes taken throughout the program, as outlined on the *Assignments List* and the sample *Journal Pages*.**
 4. **Completion of three book reports and four papers as outlined in the *Assignments List*.**
- Students must maintain up-to-date contact information with the TTP Coordinator and the YAA office and respond to regular requests for information regarding their program progress.
- Any questions or difficulties that arise during the program should be directed to the TTP Coordinator.

Ultimately, it is the student's responsibility to complete the program requirements according to the requirements listed herein. Requirements are subject to change and will be communicated. Students must ensure that both they and their Mentors have the most up-to-date version of this document, available on our website at yoga.ca.

YAA Mentors must also be familiar with the most up-to-date version of the *YAA Mentorship Guidelines*, which outlines their roles and responsibilities towards TTP students, available on our website at yoga.ca.

6. Initial Certification Procedure

When the Mentor ascertains that all requirements of the TTP have been completed and is confident that the student is ready to safely and effectively conduct a class on his / her own, the student may submit an *Application for 200-Hour Certification*. Required documentation is listed on the application form and must be received by the YAA office by one of the following due dates: March 1st for May certification, July 1st for September certification, or November 1st for January certification. Supporting documentation can be sent to the YAA office or directly to the TTP Coordinator by email at cert@yoga.ca. When the TTP Coordinator confirms that all documentation and references are in order, the application is presented to the Certification Committee and YAA Executive for review and approval. Upon final approval, a YAA 200-Hour Certificate, valid for a 3-year period, is sent to the applicant.

Certification requirements are subject to review and change. All certifications are contingent upon continued membership in the YAA in good standing. In any case where the applicant is dissatisfied with certification decisions, an appeal for clarification and re-evaluation may be directed to the Executive.

7. Recertification and Additional Levels

YAA Certified Teachers meet professional upgrading standards, maintain regular class/workshop attendance and teaching hours, and must apply for recertification every three years in order to maintain certification status. With further training and requisite experience, YAA Certified Teachers may also qualify for 500-Hour Level, 750-Hour Level (Intermediate Teacher Status), and 1,000-Hour Level (Senior Teacher Status) Certifications. Upgrading can be done with the student's Mentor and/or any YAA Intermediate or Senior Teachers (or equivalent) and/or through YAA sponsored classes and workshops. Requirements are outlined on the Recertification and Advanced Training Levels pages of the website. **It is highly recommended that all YAA Certified Teachers maintain ongoing affiliation with at least one YAA Senior Teacher as Mentor, as reference letters are required for status approvals.**

DEFINITION OF HATHA YOGA

HATHA YOGA, also called *hatha-vidya* (science of hatha), is a branch of yoga that historically refers to a "vast body of doctrines and practices geared toward Self-realization by means of perfecting the body" (Georg Feuerstein, *Encyclopedic Dictionary of Yoga* [EDY]). As such, hatha yoga sees the body itself as the primary vehicle for personal transformation. Its central practices include ritual techniques to purify the body and yogic postures (*asana*) and breath control practices (*pranayama*) to progressively culture and transform the body.

While all schools practise *asana* and *pranayama* while applying the *yamas* (moral principles) and *niyamas* (moral restraints), some contemporary schools of hatha yoga still retain a strong emphasis on the practice of purification techniques while others direct their teachings almost exclusively toward *asana* and *pranayama* as sufficient tools for mental and physical purification.

The literal meaning of the word "hatha" is "force" or "forceful," which derives from the intended difficulty and austerity of the practices. The word has further significance in that "its two component syllables, "ha" and "tha" are frequently explained as standing for the microcosmic "sun" (*surya*) and "moon" (*chandra*) respectively, while yoga is the "union" between these two principles." (EDY)

Hatha yoga is sometimes contrasted with *raja yoga* and *kriya yoga*; the former being directly associated with Patanjali's eightfold path (ashtanga yoga) as expounded in his Yoga Sutras. Many schools of hatha yoga adopt the higher stages of ashtanga yoga practice – concentration (*dharana*), meditation (*dhyana*) and absorption (*samadhi*) – and see the emphasis on practicing the first five limbs (*yama* and *niyama*, *asana*, *pranayama* and *pratyahara* / sense withdrawal) as a steppingstone to *raja yoga*.

The teacher credited as its inventor is Goraksha (9th century C.E.). The two main texts that describe its principles and characteristics are the *Hatha-Yoga-Pradipika* (Light on Forceful Yoga) by Svatanmarama (mid-14th century C.E.) and the *Gheranda Samhita* (Gheranda's Collection) by the sage Gheranda (late 17th century C.E.).

Among western practitioners hatha yoga is identified primarily with the yoga postures. All initial levels of teaching in hatha yoga concentrate first on asana practice, leading the student gradually toward breathing and meditation techniques.

MISSION STATEMENT AND CODE OF ETHICS**Mission Statement**

The Yoga Association of Alberta (YAA) is a non-profit organization that offers yoga activities to the public for the purpose of providing self-development opportunities. In order to develop yoga on a provincial level, the Association has representation from different regions of the province. This ensures that the Association can address the different needs of members through Alberta. The Association will establish the number of regions deemed appropriate from time to time to meet its goals. Initially, there will be three regions: Northern (Edmonton & north), Central and Southern (Calgary & south).

Code of Ethics

The YAA views its activities as promoting increased public knowledge and availability of yoga. All individuals in the association are encouraged to participate in these activities in an atmosphere of cooperation. The Code of Ethics as adopted at the 1979 annual meeting of the Association is:

- Teachers adhere to traditional yoga principles as written in the yamas and niyamas and refrain from making any comment, gesture, or contact that is likely to cause offence or humiliation.
- Teachers conduct themselves in a professional and conscientious manner, follow all local and national laws that pertain to their yoga teaching and business, and act with ethical and financial integrity.
- Teachers refrain from making exaggerated claims about the benefits of yoga, acknowledge the limitations of their skills and scope of practice, and where appropriate, refer them to other teachers, suitable practitioners, or to the YAA office.
- Teachers do their best to create and maintain a safe, clean and comfortable environment for the practice of yoga.
- Teachers inform students of their personal yoga philosophy and style, practice tolerance and acceptance of the views of others, and encourage critical thinking and self-inquiry within their students.
- Teachers do not malign other yoga professionals.
- Teachers respect the rights, dignity and privacy of all students, and are respectful, compassionate and truthful with all practitioners of yoga – fellow students and teachers alike.
- Teachers avoid words and actions that constitute sexual harassment or harassment based on other legally protected characteristics.
- Teachers encourage diversity and do not discriminate against students based upon their race, religion, nationality, gender, sexual preference, age or physical ability (except in the interests of providing a yoga class suitable to the student's needs).
- Teachers practice some form of karma yoga (selfless service) based upon their skills.

Guidelines for YAA Members based on the above Code of Ethics

- Members of the YAA should be aware of the Code of Ethics and Guidelines, which will be published annually in the Fall issue of the Yoga Bridge.
- Members of the YAA should adhere to the Code of Ethics on an honour basis.

Near the beginning of their program, YAA-TTP students must choose a YAA Certified Senior Teacher as a Mentor with whom to apprentice. This mentorship requires the student to attend classes with their Mentor on a weekly or regular basis, as well as regular meetings or consultations to review progress and homework assignments, plus supervised teaching hours. These arrangements should be made with the mentoring teacher directly. Mentors may have additional requirements for final assessment before recommending certification.

It is the student's responsibility to research and choose a Mentor and return this form to the TTP Coordinator within 4 months of acceptance into the program. See the website for information on choosing a good teacher and a current list of YAA Certified Senior Teachers. Any difficulties finding or choosing a Mentor, issues with program progress, or questions should be directed to the TTP Coordinator at the email above. Students are responsible to maintain up-to-date contact information with both their Mentor and the TTP Coordinator and respond to regular requests for information in regard to their program progress.

By signing below, I agree to mentor under the teacher(s) named below and accept the student's roles and responsibilities as outlined in Section I.5 above for the duration of my registration within the YAA-TTP.

As Mentor, I have seen evidence that the above noted student has completed the hours as outlined accurately above, fulfilling all requirements of YAA Certification to the best of my knowledge. I confirm that the student has a working understanding of the required asana/pranayama practices as outlined in Appendix C of the YAA TTP Syllabus, and is able to teach them safely and effectively on their own. Note that this may necessitate more than the minimum required hours described in any component of the program.

SUMMARY SPREADSHEET GUIDELINES

To be considered for YAA Certification, a student must have successfully completed the requirements and have accurately and completely documented them on the *Summary Spreadsheet*. Students must verify to their Mentor that they have completed each category required by taking brief notes on classes and recording details of each workshop in a log or journal as one of several requirements in the *Assignments List*.

When filling out the *Summary Spreadsheet*, refer to the following guidelines. **The spreadsheet can also be downloaded as an Excel Spreadsheet or as a pdf file from www.yoga.ca** (insert rows or use as many sheets as needed).

1. **80 Hours of YAA TTP Monthly Core Curriculum Classes – Complete series of 16 x 5-hour specialized workshops** geared towards teachers in training given by YAA Certified Senior Teachers. The TTP Core Curriculum Classes are held one Saturday per month, in Edmonton and on Zoom. Senior Teachers in other locations may run their own equivalent classes (consult the TTP Coordinator for advance approval). Consult the *Curriculum Checklist* for a list of topics covered in the classes. The sequence of classes repeats every two years. Students may begin the program at any time during the year. **If a student is unable to attend a particular class, it can be taken in the next two-year sequence, or else the material must be covered in a different form, at the Mentor's discretion.** For example, the student may cover the material in other classes and/or workshops plus submit a more in-depth written report on the material.
2. **45 Hours of YAA Teaching Skills Workshops – Minimum of 3 x 15-hour specialized workshops.** These are weekend-long workshops given by YAA Certified Senior Teachers for supervised practical application of teaching skills. Teaching Skills Workshops are offered twice per year in Edmonton and on Zoom. Senior Teachers in other locations may run their own equivalent workshops (consult the TTP Coordinator for advance approval).
3. **50 Hours of Senior Teacher Workshops - Minimum of 50 hours of Workshops** given by the Mentor or any other YAA Senior Teachers (or equivalent). Training in modifications for special concerns, meditation, yoga philosophy and breath awareness is highly recommended. (*YAA Senior Teachers have a minimum of 1,000 hours of training/upgrading, 10 years of teaching experience, and 20 years of practice. Consult the TTP Coordinator for advance approval for any non-YAA teachers.*)
4. **15 Hours of Anatomy – Minimum 15 hours of specialized classes or workshop(s)** designed to initiate the study of anatomy, physiology, and biomechanics for yoga teaching purposes, taught by a qualified instructor. (May be taken online if there is an interactive component – i.e., one-on-one or group calls with instructor, homework submitted w/ feedback, marked exams, etc.). Upon completion of the TTP, the student must have a working knowledge of the basic anatomy of the body including the major muscle groups and their movements, the skeletal system and joints, and the internal organs and their basic functions. (Credit for previous coursework must have advance approval from the Coordinator upon TTP admission.)
5. **10 Hours of Practicum with Mentor – Minimum of 10 hours of practicum with the student's Mentor**, which consist of regular meetings or consultations for the purpose of reviewing progress, homework assignments, asking questions, etc. **A portion of these hours must be supervised teaching** in a classroom setting under the direct supervision of the Mentor (2 hours or more, at the discretion of the Mentor). Requirements may not be met by class attendance only or by substitute teaching. Note that students are also expected to take regular (usually weekly) classes with their mentor throughout their time in the program (~100 hours), although these hours are not counted within the program. Mentors may have additional requirements for final assessment before recommending certification.

CURRICULUM CHECKLIST

YAA TTP Core Curriculum Classes are held one Saturday per month, in Edmonton and on Zoom, with the sequence repeating every two years. Students may begin the program at any time during the year. **If a student is unable to attend a particular class, it can be taken in the next two-year sequence, or else the material must be covered in a different form, at the Mentor's discretion** (consult the TTP Coordinator for advance approval). For example, after consulting with their Mentor, the student may cover the material in other classes and/or workshops offered elsewhere and submit a written or oral report to their Mentor to demonstrate understanding of the material. The Mentor may require additional hours of training. **Note:** Most descriptions and spellings for the list below have been taken from *Light on Yoga* by B.K.S. Iyengar, and may differ from other books and traditions. Common names have been added for ease of reference.

Students are expected to record class details and learnings in their *Journal Pages* (sample provided following the Assignment Checklist), as well as to record these hours on their *Summary Spreadsheet*. **Come to class familiar with the *asanas* listed** (most as illustrated in *Light on Yoga*, by B.K.S. Iyengar), even if you do not personally practice them. Consult your Mentor or a resource in the *Recommended Reading List* on how to perform the *asanas*, their benefits and contraindications, warm-ups, modifications and where they might fit into a class plan. **Bring the following props to each class: 1 sticky mat, 4 foam blocks, 1 strap, 2 blankets and 1 wood block.
