YAA MISSION STATEMENT AND CODE OF ETHICS

Mission Statement

The Yoga Association of Alberta (YAA) is a non-profit organization that offers yoga activities to the public for the purpose of providing self-development opportunities. In order to develop yoga on a provincial level, the Association has representation from different regions of the province. This ensures that the Association can address the different needs of members through Alberta. The Association will establish the number of regions deemed appropriate from time to time to meet its goals. Initially, there will be three regions: Northern (Edmonton & north), Central and Southern (Calgary & south).

Code of Ethics

The YAA views its activities as promoting increased public knowledge and availability of yoga. All individuals in the association are encouraged to participate in these activities in an atmosphere of cooperation. The Code of Ethics as adopted at the 1979 annual meeting of the Association is:

- Teachers conduct themselves in a professional and conscientious manner, follow all local and national laws that pertain to their yoga teaching and business, and act with ethical and financial integrity.
- Teachers refrain from making exaggerated claims about the benefits of yoga, acknowledge the limitations of their skills and scope of practice, and where appropriate, refer them to other teachers, suitable practitioners, or to the YAA office.
- Teachers do their best to create and maintain a safe, clean and comfortable environment for the practice of yoga.
- Teachers inform students of their personal yoga philosophy and style, practice tolerance and acceptance of the views of others, and encourage critical thinking and self-inquiry within their students.
- Teachers do not malign other yoga professionals.
- Teachers respect the rights, dignity and privacy of all students, and are respectful, compassionate and truthful with all practitioners of yoga – fellow students and teachers alike.
- Teachers avoid words and actions that constitute sexual harassment or harassment based on other legally protected characteristics.
- Teachers encourage diversity and do not discriminate against students based upon their race, religion, nationality, gender, sexual preference, age or physical ability (except in the interests of providing a yoga class suitable to the student's needs).
- Teachers practice some form of karma yoga (selfless service) based upon their skills.
